Payment Options

School districts and/or individuals *must* pay for the entire year of fees **before sessions begin. The \$750 payment for NTI will include:**

- Summer I session
- Methods training
- Regional I meeting
- Regional II meeting
- Regional III meeting
- Summer II session

Travel expenses will **not** be reimbursed.

More payment details: Registration for NTI training will be checked **periodically**. We will issue a coupon code to participants registered in the NTI Summer I session to be used in registering for the Methods training. This code will be sent to the email address associated with your Go Sign Me Up account. The coupon code will **eliminate** the charge for the Methods training since that fee is included in the \$750 upfront cost. Please do **not** sign up for your Methods training until you have received the coupon code. If you have not received your code within one week of registering for NTI, please contact the MSU Research and Curriculum Unit.

If your school or district is issuing a purchase order to initiate payment for your course, please do not include the Methods fee on the purchase order (PO), as the Methods fee is covered. Please note the Methods course on the PO as a separate line item under the NTI Summer I course with **no payment amount** applied to the Methods course.

Housing for Aug. 31-Sept. 4, 2020

Housing for methods training is the participant's responsibility. Please contact the location, make reservations, and pay for the accommodations prior to the training. When you make reservations, **ask for the education/government rate (normally \$96/night)**. Travel expenses will **not** be reimbursed.
